Diamond Drill

Out of the Past

October 4, 1951

Fifteen cent sundaes in any flavor will be featured as the Grand Opening special of the Snack Bar which will be formally opened Saturday morning by Felix and Viola Andrizzi. Site of the newest addition to the Crystal Falls business community is the choice corner of Crystal Avenue and North Fifth Street which the Andrizzi's purchased from E.J. Bregger of Stevens Point, Wisconsin, former Crystal Falls businessman. An attractive building of cement block construction houses the new restaurant enterprise which will offer complete fountain service, short orders, lunches and confections. Three red leather double-booths are set beneath the three large windows at the front with a low, modernistic L-shaped serving counter to accommodate 16 persons in the 24'x30' cooking and serving area. A restroom is located in the northeast corner with a stairway to the basement level with a side exit. Born and raised in Crystal Falls "Butch" recently owned and operated the Spa Bar (133 Superior). Along with his wife, the former Viola Hughes of Stambaugh, the couple has three daughters Donna, Patty and Sally.
