

Diamond Drill

Out of the Past

January 11, 1924

The directors of the Crystal Falls Hotel Co. and the Bradley Operating Co. have agreed upon a name for the new hotel building (400 Superior). The building was officially designated the "Legion Memorial Building" and the hotel business was named "Crystal Inn". The facility was opened to the public for the first time with a formal dedication to be held in the near future as soon as the Legion Quarters are fully furnished.

Iron County is free of "punch boards" with hopes of gambling being a thing of the past in the area? Following a complaint by local citizens that the recent Michigan State Police raid on illegal gambling machines only included slot machines, County Officials have confiscated punch boards which are in wide use throughout the County.

Some Michigan residents are complaining that the new 1924 license plates are not particularly ornamental and border on being downright ugly. The jaundice color background hue features large black numerals. Last year's plates feature a green background with white numerals.
