

Diamond Drill

Out of the Past

July 3, 1925

Crystal Falls High School Coach Harry Potter has started his playground programs for the summer months of July and August. Potter will be at the Forest Park athletic field every afternoon excepting Saturday and Sunday from 1:30 to 5:00 PM to supervise all activities of the boys and girls. Tuesday's from 9:00 to 11:30 he will be at the Western School and Thursday's the same schedule at the Tobin School. Group games of all kinds suitable for both boys and girls will be conducted in such a way that parents will feel safe in allowing their children to participate. Baseball teams will be organized for sixth grade and junior high students with a regular schedule of games played and also arranged for older boys if enough interest is generated. High School boys will be given one evening a week dedicated to football practice for those who expect to try out for the High School team this fall. Supervised competition on our playgrounds will do much to keep the boys and girls interested in healthful activities and out of mischief.
