Out of the Past

January 28, 1976

Palo's Super Value (11 N. Fifth Street) is proud to announce the appointment of Robert Pivatto as their new meat department manager. Bob has long been associated with the family owned Pivatto Grocery Store (137 Superior) which was recently closed after serving the community for over 50 years with the relocation plans of the First National Bank (305 Superior).

In a decision influenced by a recent community wide survey, the Crystal Falls Chamber of Commerce retail division had decided to move evening shopping hours from Thursday nights to Friday nights. The Thursday night schedule was promoted because of the many community and sports activities which occur on Friday evenings. A short questionnaire was prepared and placed in area stores asking the shoppers which night they preferred. In the short time that the survey was circulated a total of 609 persons marked their ballots for Friday night shopping while Thursday nights garnered only 147 votes.
