Ad: Grapes! Grapes! Grapes! We have just received a railroad car of extra fancy concord grapes. Will sell 1,000 baskets for 13 cents a basket – Parks Mercantile Co. (337 Superior).

Ad: Did you know that we have sold a carload of grapes? We will have another carload of grapes next week and also a carload of apples. We buy in carloads and can sell accordingly. Crystal Falls Provision Co. Note: What could area residents be doing with all the grapes?

The iron bridge over the Paint River at the bottom of Superior Avenue has been treated to a new coat of paint which improves the looks of it very materially.
