

Diamond Drill

Out of the Past

August 27, 1926

The City Drug Store (324 Superior) has secured the services of a scientifically trained "Lady Toilet Goods Specialist" from the United Drug Co., maker of the Cara Nome Beauty Products. This lady will be in Crystal Falls for one week beginning on September 6th. She will gladly visit you in your home if you desire and give you a Facial Massage for which there is no charge.

There was an enormous crowd that attended the dedication services at the Finnish Evangelical Lutheran Church in Amasa. The new Finnish Church at Amasa ranks with the best in the Upper Peninsula and is attended by a large number of thrifty people who are keenly interested in the welfare of their church and gladly donate both funds and service to make their church a real success.

The foul odors emitting from two chicken coops caused authorities to investigate and uncovered two illegal stills in operation. One of the places had 350 gallons mash while the second site had 250 gallons of mash with each containing several gallons of moonshine.
