Diamond Drill

Out of the Past

September 20, 1951

Inland Steel Company, owners of the Bristol Mine in Crystal Falls, offer a challenge to any mine in the area to beat the record of having five Anderson Brothers on the payroll. The sons of prominent Crystal Falls residents Mr. and Mrs. Joel Anderson Sr. include Arne, Bill, Joel Jr., Paul and Reino whom work shifts at the mine and spend their off-hours operating the pop making business started by their father in 1923 who since 1948 operate the business out of the building constructed in 1948 at 116 Superior Avenue.

Mr. and Mrs. Jack Shemky have purchased the Cameron/Spanner home at 137 High Street in Crystal Falls. The Shemky's have sold their former house at 616 Harrison Avenue to Mrs. Marian Morkin who recently moved here from Milwaukee. Mrs. Morkin is the former Marion Chervo, daughter of Mrs. Angeline Chervo of Crystal Falls.
