

Diamond Drill

Out of the Past

September 4, 1958

Crystal Falls will be well represented in colleges and university throughout the mid-west this fall when almost one third of the Crystal Falls High School graduating class of 1958 will leave their families and friends to seek further education. The list includes: Glenda Beck, Jack Casagrande, Carol Diqui, Naomi Dove, Fred Floodstrand, Alice Freeman, Sharon Hafeman, Larry Hoikka, Arlene Koskela, Sue Leismer, Charles Macki, Karen Moyle, Kathleen Onderak, Sherry Premo, Sally Jo Sawyer, Maureen Werley, Dalton Wirtanen and Fred Woelffer.

For this first time in many years the Crystal Falls High School Football Team has been fitted with new flashy uniforms. The new outfits consist of black pants and helmets with white jerseys displaying contrasting black numbers.

Vernon Harrington was crowned champion at the Crystal Falls Municipal Golf Course defeating Bernie Sacke in the final match. Vern has been alternating championships with Bob Nylund over the last seven years. Beginning in 1951 Nylund has won the title in all the odd years while Harrington claimed the trophy in the even years.
