Out of the Past

November 3, 1976

Three Forest Park High School football players were injured Tuesday evening when a car driven by Paul Skibo ran off the road on a curve near the Crystal Falls City wells north of the Western Location, hit a ditch and went end over end. Injured were Robert Nylund (18) who underwent surgery on his knee, Jim Maskus (17) and Charlie Davis (17) who were held for observation and released from the Crystal Falls Municipal Hospital. Another occupant, Darrell DeNell (16) did not require treatment. Skibo was ticketed by City Police for careless driving.

The Michigan Department of Natural Resources has several free firewood areas on State Land throughout the district according to DNR Forester Carl Brousseau. Area residents are taking advantage of the opportunity in unprecedented numbers. Five years ago there were about 8 permits issued by the Department and in the past two years, with the energy shortage and high energy prices, over 200 permits have been issued.
