Peggy, oldest daughter of the Mr. and Mrs. Nobert Dishaw of the New Bristol Location had spent Christmas in Crystal Falls with her family. While here she purchased a car which she and her mother drove back to California. They left Crystal Falls December 27th on the five day trip traveling first to Rose City, Michigan for a short visit with Peggy's grandmother then traveling thru Indiana, Illinois, Missouri, Oklahoma, Texas, New Mexico and Arizona before arriving in Monterey, California on December 31st. They encountered no trouble whatsoever averaging 600 miles per day enjoying perfect weather along the route.

Miss Betty Friestrom and friend Miss Vicky Aikkola returned after spending the holidays in the Virgin Islands, where they quartered on a sailboat owned by Miss Aikkola's brother-in-law and sister. Both are students at Lake Superior State College at Sault Ste. Marie where they resumed their studies.
