

Diamond Drill

Out of the Past

February 12, 1926

Harold Richards and Walter Scott are completing plans to form a partnership to sell Star Automobiles. The new business will be located in the garage building now occupied by Mr. Scott as a repair shop. (125 Superior) Extensive improvements to the building are in progress and a railroad car load of new vehicles are waiting to be unloaded and a salesmen will be put in the field soon. Golob's Amasa Garage are also dealers for the Star cars and have recently received a four cylinder and six cylinder coach model. Ad: Announcing the Amasa Garage is now an agency for "The Star Car", Power & Dependability, See Dr. Newberg for demonstration.

The Crystal Falls telephone phone exchange has expanded from 100 telephones and one operator in 1900 to a respectable 575 subscribers and six operators. Thomas Nash has been manager of the local Michigan Bell Telephone Company since 1908. Chief operator in direct charge at the office is Miss Julia Meyer that also includes Lyda Kieren, Julia Manko, Harriet Richard, Gunhild Snell and Anna Waytudonis.
