

Diamond Drill

Out of the Past

August 30, 1951

Young Bob Pivatto, whose interest in baseball is exceeded only by that of his father Tony, is numbered among group of excited teenagers who are having try-outs with the Detroit Tigers Club at Briggs Stadium in Detroit. Bob is a recent 1951 graduate of Crystal Falls High School where he participated in football, basketball and baseball. After receiving a written invitation from the Detroit Club's scout, he boarded the "Chippewa" at Channing for the railroad journey to Detroit.

Negotiations have been completed for the sale of the 80 acre Jackson Farm located one mile south of Crystal Falls on Hwy US-2 to Arthur Otterbein, Iron County Agriculture Agent and James Meyers, Iron County 4-H agent. Roger Jackson, a pioneer resident of Crystal Falls acquired the property some 25 years ago from the late Emil Urban and August Schrader.

Notices have been sent out to all parents in the Crystal Falls School District who have children who will start kindergarten this year informing them that only students who have attained the age of five by October 1st will be permitted to enroll.
