

Diamond Drill

Out of the Past

May 5, 1976

Lutheran Hospital and Homes Society of Fargo, North Dakota, the non-profit organization which owns and operates the Crystal Manor (400 Superior), announced the appointment of Helen Barnett who has been the acting administrator since February 1975 as administrator of the 71-bed facility. She had been serving in that capacity since the retirement of Dick Wiebe and after completing the necessary courses and Michigan State examinations held in Lansing in January was promoted to her new position. The former Helen Larson is married to Raymond Barnett and the couple resides at 928 Forest Avenue with their children Alan (19), Ernest (15) and Michael (13).

Roger Mechon, son of Mr. and Mrs. Joe Mechon, a 1965 graduate of Crystal Falls High School and Michigan Technological University has been at work for the past five weeks with pump station #8 of the Alyeska Pipeline Company as a cost scheduling engineer. Mechon, who previously worked for Michigan Bell Telephone Company graduated in August with a master's degree in Business Administration and Mechanical Engineering and is currently residing in Fairbanks, Alaska.
