A month ago Don Behan packed up a pup tent, Coleman gas stove, a few basic necessities and a couple of changes of clothes strapped to his bicycle and headed east of Hwy US-2 from his home on High Street. Two weeks later he was in Montreal, Canada. The 1,000 mile trip was made to visit Father Henri Bechard, a Jesuit Priest who is a neurosurgeon upon the recommendation of Mayo Clinic Doctors for treatment of his arterial condition. Behan is an experienced man on the two-wheeler, having made extensive use of that type of transportation during his tour of duty with the United States Army in Europe.
