Diamond Drill

Out of the Past

September 13, 1951

The Crystal Falls Schools opened on Thursday September 6th with a slightly increased enrollment over last year 844 vs 836. The increase is due to a larger kindergarten class. The total kindergarten through sixth grade enrollment for the 1951-52 school year is 508. Pre-Kindergarten (17); Kindergarten (80); First (67); Second (62); Third (82); Fourth (68); Fifth (56) and Sixth (76). Junior High total 131. Seventh (72) and Eighth (59). High School total 205. Ninth (55); Tenth (51), Eleventh (54) and Twelfth (45). There is a downward trend in the population of school age children in Iron County. Total summer census for the County's seven districts for 1951 totaled 4,241 as compared to last year's 4,361. This year's totals: Iron River (1,392); Stambaugh (1,262); Crystal Falls (879); Bates (280); Mastodon (213); Hematite (167) and Mansfield (48).
