

Diamond Drill

Out of the Past

May 1, 1925

The "One Minute" washing machine which is being introduced to Crystal Falls housewives at John Bauer & Son (224 Superior), will be demonstrated by a man direct from the factory. The machine is a compact washer of the wave type oscillating back and forth causing a wave of water to pass through the agitated mass of clothes in the washer. It is claimed to be easy upon clothes and to wash any piece of clothing so that rubbing is not necessary. Washing by water action alone, therma heat retaining, balloon roll wringer, sediment zone velvet disc drive and stands in a space only two feet square.

Area High Schools have announced their schedule for graduation ceremonies for the year 1925. Crystal Falls High School class of 1925 includes 40 graduates. Amasa High School will have 14 graduates, the largest class in history as compared to 1924 (3), 1923 (6), 1922 (6) and 1921 (9). Alpha High School class of 1925 will have 4 graduates as compared to 1924 (6), 1923 (0) and 1922 (4).
