

Diamond Drill

Out of the Past

February 10, 1949

Miss Marianne Leppiaho (Cambray), daughter of Mr. and Mrs. Emil Leppiaho received her nurse's cap during ceremonies held at Augustana Hospital School of Nursing in Chicago where she began her training following graduation from Crystal Falls High School last June.

Harold M. Buswell, who for the last two years has operated the Buswell Distributing Company (212 Superior) has announced the closing of the business. Buswell was the former President and Manager of the Cloverland Supply Company from 1930 until November 1, 1946. Along with his wife Helene (Dassler) they reside at 6 High Street and are parents of three daughters, Clare, Elizabeth and Frances. Raymond Johnson has announced plans to relocate his business, Johnson Novelty, into the vacated building.

Amasa School Superintendent, Beno Webber, states that the High School basketball team may not be of championship caliber but the student body follows the team almost one hundred percent. With only one exception, the entire Amasa High School student body travelled to Channing to witness the recent game against the Railroader squad.
