

Diamond Drill

Out of the Past

March 31, 1949

Ray Bergwall, well known Norway resident and an associate of Caesar Evance in the B&E Motors located on Hwy-2 at the Odgers Location who are dealers for the Kaiser-Frazer Agency, has purchased the Zion Lutheran Church building at the Southwest corner of Marquette Avenue and South Sixth Street (601 Marquette Ave). Idle for 22 months the small wood structure also includes two lots and for many years was the home for the German Lutheran Church constructed in 1906.

The Crystal Falls district exchange for the Michigan Bell Telephone Company has 1,128 telephones in service an increase of 127 from last year. The Iron River exchange has 2,909 telephones and Iron Mountain totals 5,102.

Letters on the State of Michigan's automobile license plates have been stabilized according to the Secretary of State. The seemingly ever changing two letter designation for each county is still difficult to remember and recognize at a distance. Iron County's letters "PJ" has remained the same for several years.

Ad: Notice! We have installed a new Manton-Gaulin Homogenizer, the latest in dairy equipment, and can now serve you with the finest Pasteurized Products. Wiggins Dairy (Forest Avenue)
