

Diamond Drill

Out of the Past

July 30, 1959

The Crystal Falls City Commission authorized City Manager Jerry Hartman to hire a woman to do temporary part time clerical work in the office of the City Clerk and Manager. The clerk will be paid \$1 per hour for a 20 -24 hour work week. She will not be considered a regular employee of the City. In other City news, Richard Hendrickson, employee of electrical department has returned from Philadelphia, Penn. where he attended a five-day training course offered by the Jerrold Electronics Corporation in Television system maintenance. His training will enable him to conduct basic maintenance on the recently installed community television antenna equipment which uses electronic components manufactured by Jerrold.

Mr. and Mrs. Malcolm McNeil have purchased the house of Mr. and Mrs. A.E. Antilla at 1130 Poplar Avenue. The McNeils will move this weekend from their former location in the Riverside house off Hwy US-2 near the Odgers Location. Antilla, recently retired agent for the Milwaukee Road Railroad in Crystal Falls, is moving to Republic.
