Diamond Drill

Out of the Past

September 10, 1898

The hunting seasons have opened in Michigan. Ducks, geese and all waterfowl may be killed in the Upper Peninsula from September 1st to January 15th. The partridge season opens September 15th and closes January 15th. Snipes, woodcock, plover and squirrels may not be killed before October 1st. The deer season is the same as last year from November 8th to November 30th with a $1 license fee for those who live in the State of Michigan and a $25 fee for non-residents.

Notice: A stray cow came upon my premises about two weeks ago and has remained here since. Owner can have same by calling on or writing to Isaac Williams – Mansfield, Michigan.

Ad: Pimples are the signals of impure blood. They show that the stream of life is in bad condition and your health is in danger of a wreck. Clear the course by taking “Hood’s Sarsaparilla - America’s Greatest Medicine” and the blood will be made pure resulting in a fair complexion with a healthy and pleasant life’s journey.
