

Diamond Drill

Out of the Past

February 15, 1951

Crystal Falls families are on the move. The Robert "Dizzy" Aeschliman family with daughter Barbara has moved from the Lampi home in the Odgers location to the upstairs apartment in the Selmo Home at the corner of South Fifth Street and Michigan Avenue. The Robert Selmo family has vacated the apartment relocating to living quarters at Club Bolero on Chicagon Lake that they recently purchased. The Bob Nylund family with daughter Bobbie Lee are now occupying the upstairs apartment of the Bendick building (418 Superior) since moving from Gladstone. The Charles Korpi family and their three children has moved from the Falls Location to the front upstairs apartment of the Richard's Building (208 Superior) next to the upper Superior Avenue railroad crossing. The Warner Anderson family with daughter Faye has moved from the front apartment of the building to the rear apartment of the building. Crystal Grocerteria has conducted their business in the ground floor since 1944.
