Recent home purchases in Crystal Falls include Claude Smith, Michigan DNR Supervisor; have purchased the Ernest Scott home at 600 Marquette Avenue who has resided there for four years after the purchase from Mrs. Ward Kelly. The former Dave Carlson home at 824 Erie Avenue was purchased by Alfred P. McCowen who is employed with the Cloverland Contracting Company. Mr. and Mrs. Walter Hagglund and son are moving this week from the former Moline home at 720 Erie Avenue to the home of her mother, Mrs. Ernest Walbeck, 111 Iron Street. The former Moline home will be occupied by Mr. and Mrs. Henry Kohls who will move from 826 Harrison Avenue.

Boys returned to their masculine studies and girl students went back to their feminine pursuits when another interesting education experiment ended recently at the Crystal Falls Schools. For six weeks the home economics and shop departments at the school collaborated on an exchange program whereby boys in the 9<sup>th</sup> grade classes studied home making while the girls learned about shop mechanics. The experiment was supervised by home economics teacher Miss Mary Krieder (Albarelo) and Don Boulanger shop teacher.
