Diamond Drill

Out of the Past

November 5, 1898

We learn that Alex Dalpra and others are exploring for iron ore out in the Michigamme Valley. We sincerely hope that they strike a bonanza.

M.J. Lindsay killed his pet deer this week and will have it mounted.

Iron County School Commissioner Thomas Conlin is endeavoring to have a school established near Elmwood which is located northwest of Iron River near the Gogebic County line. About 20 Indian children plus a number of white children of school age are located there.

The Crystal Falls High School gets a banner for October by maintaining an average attendance and punctuality of 99.25%.

The Chicago & Northwestern Railroad has completed a siding into Pete McGovern's mill site (T42N/R33W Sec33) located in Mastodon Township near the Brule River east of Pentoga and just west of the Armstrong Creek. The erection of buildings will be started at once.
