The Iron County Council of Aging has named her Senior Citizen of the Week. Hazel Salin, representing the VFW organization presented Mrs. Sundquist a special plaque which reads: Taking part in the local VFW club for over 25 years, holding offices and chairmanships in your church, serving the community with many hours on WIKB's "Telephone Time", with selling, buying, exchanging, helping lost and found, announcements of meetings, bake and rummage sales plus other things too numerous to mention. Mary along with her husband Walter, have four children; Walter E. (Farmington, MI.), Kenneth (Howards Grove, WI.), Barbara Jean (Chicago, IL. and David (Sterling Heights) plus eight grandchildren.

The First National Bank of Crystal Falls (305 Superior) have announced three promotions.
