

Diamond Drill

Out of the Past

August 10, 1950

Michigan Bell Telephone Company has reported over 300 calls were made in the first half hour when Amasa's new dial telephone system went into operation last Friday. Not a single case of trouble was reported from the 116 Bell subscribers in Amasa and the rural area immediately surrounding the Hematite Township Village that is served by the new separate exchange.

Francis Alexa and Dale Brooks are the first two recruits to be processed through the new United States Coast Guard office in Green Bay, Wisconsin. Both are graduates of the Crystal Falls High School Class of 1950. Alexa made his home with his aunt, Mrs. Mary Thomas, Western Location, and Brooks is the son of Mrs. Rose Zdavecky, Superior Avenue. The youths are now undergoing basic training at Cape May, New Jersey.

In an opinion by the Michigan Attorney General a licensed chiropractor may treat patients in County Hospitals. The lengthy opinion states that a lawfully licensed chiropractor is a legal practitioner of a school of medicine recognized by the laws of the State of Michigan per the 1913 hospital law and hence entitled to privileges in treating patients in county hospitals.
