

Diamond Drill

Out of the Past

April 24, 1974

Members of the Forest Park School French Class have returned from an Easter week junket to Paris, France. The students were part of a larger tour group that departed from Detroit aboard a 747 Jumbo jet. Mrs. Tony Grudnowski, French teacher, along with her husband served as chaperones for the trip. French class members making the trip included: Barbara Anderson, Donna Foucault, Tina Huffman, Mary Marusich, Lori McGregor and Debbie Stockero. Though the adventure involved members of the High School French class, the trip was not school sanctioned or sponsored activity.
