

Diamond Drill

Out of the Past

May 21, 1898

The Dunn Mining Company has been short men for some time past and finally resorted to improve hiring by beginning recruiting possible new hires from the "Cities". Last Monday the first fruits of their efforts became apparent in the persons of a dozen Italians who came up on the morning train. They were taken immediately to the Dunn Location with more men expected to be arriving in the near future. Unfortunately, some of the new arrivals were wholly unacquainted with this country and with the mining and made up their minds to return to the City.

The Crystal Falls Fire Department has selected its race team to compete in this year's Firemen's Tournament. The fifteen man squad will spare no effort to capture the prize.

A safe and lock expert from Detroit has adjusted and cleaned the locks in the Iron County National Bank (305 Superior). Bank CEO James F. Corcoran has a standing contract with the firm to maintain the locks in the Bank to assure the public has complete confidence in the safe keeping of their deposits.
