Crystal Falls City Police and the Iron County Sheriff department are baffled by the hijacking and recover of several boxes of merchandise stolen from a parked delivery truck behind the Gamble Store (337 Superior). Ed Leismer, manager of the local store discovered the seal on the trailer broken which had been parked in the City parking lot behind the store overnight waiting for unloading the next morning. Several boxes were removed during the night with one of them weighing 200 pounds and the law enforcement authorities surmised that more than one person was involved. In the evening Leismer received an anonymous phone call informing him that the stolen merchandise was under the fire tower west of the Tobin Location. Crystal Falls Police Chief Charles Setagord and Patrolman Bay Fabbri recovered the missing boxes which contained work clothes and white goods intact but had been opened but nothing was missing. The investigation continues.
