

Diamond Drill

Out of the Past

February 23, 1961

Lew Boland has begun operation of the Sinclair Service Station at the Southeast corner of Superior Avenue and River Street (17 Superior). "Lew's One Stop Service" will feature in addition to supplying Sinclair products, complete automotive repairs including tune-ups, greasing, ignition service, brakes, batteries and tires. He is offering a grand opening special 13 point tune-up special for \$6.95 labor plus parts. The location has long been a Sinclair Service station ever since Loia Oil Company opened a business on the property in June 1925. A series of different operators have maintained the Sinclair business there over the years.

The Alpha Mastodons High School Basketball team earned a win over the Florence Bobcat team (71-57) with a barrage of 31 free throws. Louis Kurtz again led the offense with 30 points earned on seven field goals and 16 of 18 free throws from the charity line. Kurtz was ably assisted by Mike Stankewicz with 15 points and Ron Lepisto chipped in 13 points.
