

Diamond Drill

Out of the Past

April 19, 1951

Lawrence Rogge of Rogge's Way Dam Resort is a patient at the Mayo Clinic in Rochester, Minnesota. Mr. and Mrs. Rogge made the trip from Iron Mountain to Rochester by plane. However, the trip from the Way Dam reservoir to the Dickinson County Airport was a different story. The condition of the Mansfield Township mud road was terrible at best. Walter Diele and Art Peterson provided assistance using Art's truck equipped with chains to provide the necessary ambulance service.

Marvin Kaski, son of Mr. and Mrs. Eino Kaski, Fortune Lake, president of the Crystal Falls High School Junior Class, was chosen king of the 33rd annual Junior Prom. Marv selected Barbara Plankey, daughter of Mr. and Mrs. Sam Plankey, South Fifth Street, a winsome sophomore for his queen. The Forest Park Gymnasium will be transformed into a glorious scene for the "Harbor Lights" theme. It is expected that upwards of 300 eager promenaders will dance to the music of Tommy Dzanbozoff's five piece band.
