

Diamond Drill

Out of the Past

October 9, 1974

David Kennedy, president of the Iron County Abstract and Land Company (300 Superior), one of the community's long standing businesses which was incorporated sixty years ago, has announced the sale of its assets to a new corporation. Gordon and Bonnie Marcinak of Eagle River, Wisconsin, have established the Peninsula Title and Abstract Corporation which has purchased the local company. The new owners plan to continue the services rendered in the past and to enlarge the scope of the business with a complete title insurance department using modern methods and apply their wide experience to meet the growing needs of the people of Iron County. Marcinak for several years has been vice president and manager of the Northern Title and Abstract Corporation in Eagle River. Prior to coming to Wisconsin he was manager at the Grand Rapids, Michigan office of the Transamerica Title Insurance Company. Marcinak was born in the Catskills area of New York and attended Bronx Community College in New York City. The Marcinaks, along with four sons, Kenneth (12), Michael (10), Erick (7) and Gordon Jr. (1-1/2) intend to make their home in Crystal Falls as soon as adequate housing is located.
